Dear Sir:

**RENEWED PETITION UNDER 37 CFR § 1.137(B)**

In response to the Dismissal of the Petition to Revive under 37 CFR § 1.137(b) mailed December 4, 2007, having a period for response expiring February 4, 2008, please reconsider the Petition for reasons discussed below. Although Petitioner believes there are no fees due in connection with this Renewed Petition, the Director is hereby authorized to charge Deposit Account No. 20-0782/CAHD/0008/WBP for any fees required to make this Renewed Petition timely and acceptable to the Office.

**Remarks** begin on page 2 of this paper.

## REMARKS

In the Dismissal, the Examiner indicated that the Petition could not be granted because Petitioner is not qualified to make a statement of unintentional delay for the period beginning March 9, 2006 (abandonment date) and ending June 29, 2006, when Petitioner became Assignee of the present application. The Examiner notes that Olympia Group, Inc. (Olympia) was the assignee of the present application during the time period.

However, during the period, Olympia was in bankruptcy. Petitioner's Chairman of the Board, James C. Holcomb, Jr., was Trustee for the bankrupt Olympia. Therefore, Petitioner is qualified for making the statement of unintentional abandonment. Petitioner apologizes for not including this information with the original Petition. Granting of the Petition is respectfully requested.

Respectfully submitted,
